# Sprint 1 Retrospective

## Goals:

- Be finished with Motivational Letters for Clients
- Be finished with 'Motivational' Website
- Be finished with Branding – brand style Guide, logo, ideals

## What went well:

- Planning/Sprint Planning
- Pitch Presentation for teachers well prepared
- Good level of planning and sticking to it
- Good level of work
- Feedback on Feedulse

## What could have gone better:

- Could've been more punctual with time and arrival
- Added breaks when stuck
- Communicated when working on portfolio
- Organized Teams files
- Checked Monday board more regularly

## Planning to do more of:

- Peer feedback
- Stand-ups
- Save Iterations
- Initiative per person
- Work on Portfolio
- Communicate when done with task

## Summary:

Most things have gone well. Things which we need to fix are minor, and everyone's morale is amazing. People are doing their assigned tasks on time, and we are excited about our project (to be chosen).
